Individual Awards: <https://forms.gle/7RHZSYvL7r1bohMMA>

The **Public Works Project of the Year Award** was established to promote excellence in Public Works Projects by recognizing the partnership between the managing agency, the consultant/architect/engineer team, and the contractor, who all work together to successfully complete Public Works Projects.

SUPPORTING DOCUMENTATION | Project of the Year Nominations

Address each of the following areas in your supporting documentation submitted via Google Forms. **Please limit the response to each criterion to 100 words or less.**

1. Use of good construction management techniques and completion of the project on schedule.
2. Safety performance and demonstrated awareness of the need for a good overall safety program for workers and the public during and after construction, where applicable.
3. Community relations as evidenced by efforts to minimize public inconvenience due to construction, safety precautions to protect public lives and property, provision of observation areas, guided tours, or other means of improving relations between agency and the public.
4. Demonstrated awareness for the need to protect the environment. This includes any special considerations given to particular environmental concerns raised during the course of the project, as well as climate change and/or resiliency components for long-term community benefit.
5. Unusual accomplishments under adverse conditions including, but not limited to age or condition of the facility, adverse weather, soil or other site conditions over which there is no control.
6. Additional conditions deemed of importance to the public works agency, such as exceptional efforts to maintain quality control and, if value engineering is used, construction innovations as evidenced by time and/or money saving techniques developed and/or successfully utilized.
7. Use of alternative materials, practices or funding that demonstrates a commitment to sustainability, climate change resiliency, and/or use of sustainable infrastructure rating system or the equivalent.
8. Provide a separate award citation for the Awards Programs (maximum 50 words).
