

At HDR
We make great things possible

A dark gray world map serves as the background. Several regions are highlighted in a vibrant blue color: the United States (including Alaska and Hawaii), the United Kingdom, Ireland, and parts of Western Europe, Saudi Arabia, and Australia. The text is overlaid on the right side of the map.

Employee Network Groups Add Value

ENGs are generally based on providing support, enhancing career development, and contributing to personal development in the work environment.

HDR Foundation

To benefit the
communities where we
live and work.

Our Foundation is
driven
by our employees.

Culture of Ownership

At HDR, there is an atmosphere and attitude of “we’re all in this together.” As employee owners, we have a shared sense of purpose – to use our skills and knowledge to add excellence to our clients’ projects.
